

All Ranch Trail

Begin with a rope in your hand. You may bring your own rope or a limited number will be available at the gate.

1. From gate, trot into the arena and continue in a circle around the hay bale, swinging your rope, stop near the bale and throw your rope, coil up and secure your rope

If your rope doesn't freely release from the bale, you can ride forward to loosen your rope and get your rope off of the bale

2. Lope left lead over log, change leads (simple or flying), lope over larger log and around corner

3. Walk, walk onto bridge, stop on the bridge and hesitate, walk off of bridge

4. Walk over logs

5. Continue walking, stop between the bags of feed and log, back a circle

6. Sidepass left over the log, sidepass right over the log

7. Extend the trot to the drag, drag the trough in figure-8 (either direction first) around the trees, return drag to the original location

8. Trot over logs

9. Work gate, pattern is complete
